PROFILE

Detail-oriented professional with a strong background in client management, marketing, administrative support, and operations. Experienced in both visa services and real estate, with additional expertise in venture capital operations, document processing, and lead generation. Skilled in data extraction, screening of investor and corporate files, B2B prospect research, and executive assistance. Proven ability to manage projects end-to-end from preconstruction sales support and builder communications to documentation, filing, invoice creation, rebranding, editing, content creation, and social media consistently delivering accurate, high-quality, and organized results.

WORK EXPERIENCE

BUSINESS OPERATIONS ANALYST

The Fullsuite Pod

August 18,2025 - present

- I perform data extraction, document screening, and file organization for venture capital-related documents, including corporate charters and investor agreements. I also conduct partial quality assurance reviews of my team's extraction work by checking documents for completeness, including pages, signatures, dates, formatting, and discrepancies. Additionally, I conduct B2B lead generation and prospect research, identifying relevant decision-makers and potential users based on project requirements, while providing executive and administrative support through documentation, filing, preparing and sending DocuSign documents, and invoice creation to ensure accurate, timely, and organized workflows across multiple projects.

BUILDER RELATIONS AND MARKETING SPECIALIST

REEDU Virtual Staffing

October 21, 2024 - July 13, 2025

- As a Virtual Assistant in Preconstruction Marketing, I proactively reach out to builders and sales representatives to acquire preconstruction projects, which are then marketed to brokerage networks of buyers. I manage communication with these contacts through email and phone to gather important project details and build strong relationships. I also rebrand marketing materials, including brochures, price lists, and incentives, ensuring they align with project branding. Additionally, I organize and structure raw project files for easy access and assist with uploading subdomains to HighKey CRM using a list created by the CTO.

JUNIOR CONSULTANT AND MARKETING REPRESENTATIVE

Gateway Bridge Educational Consultancy

June 19, 2023 - August 29, 2024

- I assist students in gathering and preparing visa application documents, assess their eligibility based on academic records, and provide guidance via phone and online channels. I offer personalized advice on study abroad options, visa requirements, and financial considerations. Additionally, I provide marketing insights to boost client engagement and lead generation, managing the agency's Facebook presence with timely updates on visa grants, school partnerships, and immigration news. My writing and editing skills have been commended for accuracy, with a focus on precision in grammar, spelling, and punctuation.

WORK EXPERIENCE

ADMINISTRATIVE ASSISTANT - CLIENT RELATIONS AND STUDENT SUPPORT OFFICER

Gateway Bridge Educational Consultancy

February 20, 2023 - June 18, 2023

- I managed student support and client relations, ensuring a high level of satisfaction and seamless communication. I oversaw the agency's Facebook presence, creating and managing content related to visa grants and school partnerships. Recognized for my strong writing and editing skills, I maintained accuracy and professionalism in all documents. I also coordinated airport pickups, assisted with accommodation arrangements, addressed various student inquiries, and handled student visa applications while providing support to our internal team as needed.

TUPAD COORDINATOR - JOB ORDER PAYROLL OFFICER

Department of Labor and Employment - CAR

March 18, 2022 - August 29, 2022

- Managed and processed the monthly payroll for over 200 salaried Job Order employees, ensuring accuracy in time, attendance, and proper authorizations. I updated payroll records, including salaries, promotions, and deductions, and was responsible for setting up all payroll programs in Excel. I maintained employee confidence by protecting payroll operations and keeping information confidential. Additionally, I answered all employee questions related to payroll and assisted with tasks connected to bookkeeping.

GOVERNMENT INTERNSHIP PROGRAM (GIP)

Regional Tripartite Wages and Productivity Board - CAR

June 22, 2021 - December 31, 2021

- Assigned to the Regional Tripartite Wages and Productivity Board-CAR, I provided administrative and technical support to all faculty in the Agency. I assisted in monitoring social media content to build engagement and followers, read and analyzed incoming memos for distribution, and helped organize various conferences and programs, including the Productivity Olympics, Good Housekeeping Training, and Media Marketing Training in collaboration with DTI. Additionally, I answered telephones, assisting clients and employees courteously, and assisted in video editing for AVP for businesses and Zoom backgrounds for participants and employees.
